ASU CONSOLIDATED WEBSITE PHASE II

PRESENTED BY: WEB SOFTWARE AND SERVICES
OFFICE OF INFORMATION TECHNOLOGY SERVICES

ASU CONSOLIDATED WEBSITE PHASE II

PHASE II PLAN

GREETINGS DEANS,

As we are preparing to complete Phase II of the Consolidated ASU Website, there are a couple of things we need to accomplish. In order for each department to submit content, we will need to gather some information from each department on campus.

Please click the link below to fill out the content editor's stakeholder form. After form submission, stakeholders will receive an email from Web Software and Services to schedule a meeting to discuss content delivery plans and layout.

Stakeholders' Form: <https://goo.gl/forms/ghoFPbQ7ynl4w8Cw1>

Please review the attached ASU Phase II Project Plan of work.

Phase II is scheduled to be completed by April 25th at 5:00pm

Changes and edits can be made after the above dated by completing an ITS Helpdesk Ticket.

- Archived East Website:
<https://www.asurams.edu/archives/east/academic-affairs-homepage/>
- Archived West Website:
https://www.asurams.edu/archives/west/admin/academic_affairs/

Please contact a member of the Web Software and Services Team you have any questions or concerns.

Thank you for your promptness in this matter,

Office of Information Technology Services ~ Web Software and Services

The College of Business offers premier academic programs at the undergraduate and graduate level of study. We have outstanding professors from across the globe and our academic programs are designed to provide a core learning experience through innovative curricula and rigorous business studies. Students will gain strong communication skills, technology experience, and interpersonal skills desired in today's workplace. They will have the option to enrich their studies through a strong study abroad program and valuable internships. It is expected, and required, that when they graduate they will be more than ready for the business world.

Our commitment to our students is that the return on investment (ROI) will be invaluable, allowing them to successfully compete in the global marketplace of employment and ideas.

The Bachelor's degrees and Master's degrees offered by the College of Business are accredited by the Accreditation Council for Business Schools and Programs (ACBSP).

"The position of an art in the scale of human knowledge is, perhaps, the most eloquent symptom of the gulf between man's progress in the physical sciences and his stagnation... in the humanities."
— Ayn Rand, *The Romantic Manifesto*

Welcome to southwest Georgia's citadel for creative and critical thinkers, scholastic explorers, academic and artistic practitioners, the College of Arts and Humanities at Albany State University.

The College of Arts and Humanities plays a vital role in the University's unwavering commitment to "educating minds to lead in a changing world" by providing the majority of the core curriculum offerings for all undergraduate degree programs of the University. Additionally, all departments within the College offer outstanding academic and cultural programs in which faculty and students participate for the enrichment of the entire University community and its twenty-four county service area.

The College of Arts and Humanities offers programs in Art, Criminal Justice, English, History, Mass Communications, Music, Political Science, Psychology, Public Administration, Social Work, Sociology, Speech, and Theatre.

Please visit the websites of each of the Departments in the College of Arts and Humanities, learn about the various academic degree programs, meet the professors and students, and read about their numerous activities and accomplishments. I also invite you to attend one of the College's lectures, colloquia, seminars, recitals, concerts, or exhibitions. Come for a visit—real or virtual. We'll be expecting you.

- Dean's Message
- Degrees and Programs

Welcome to the College of Education at Albany State University, where our goal is to enhance the educational attainment of stakeholders in the Southwest Georgia region and beyond through our transformative educational initiatives:

- Transforming the Educator Preparation Program through Continuous Program Improvement
- Transforming Faculty and Staff through Professional Development;
- Transforming Candidates through Knowledge, Skills, and Dispositions; and Transforming Schools and Communities through Active Engagement.

As such, our dedicated and diverse faculty and staff are committed to transformative education in which we endeavor to help each stakeholder realize his or her full potential.

The College of Education offers the highest degree the university awards, the education specialist. With more than eight programs, 16 faculty, and 384 students, the college will offer programs in teacher education, school counseling, and educational leadership.

Dean's Message

Degrees and Programs

Welcome to the Darton College of Health Professions at Albany State University, where our mission is to meet the diverse needs of our students, to prepare students for leadership in the health professions, and to encourage partnerships and teamwork as our students pursue education, service, and scholarship. The College has a rich history of providing diverse and comprehensive curricula, which support the healthcare learning needs of our students by offering certificate, associate, undergraduate, and graduate level degrees. Our graduates go on to become regional and national leaders in a variety of jobs afforded to them after the successful completion of one or more of our dynamic programs.

The Darton College of Health Professions is made up of highly qualified faculty who demonstrate a commitment and passion for teaching and their profession. Our faculty is made up of experienced individuals, as well as licensed clinicians who are leaders in their fields.

The Darton College of Health Professions is comprised of three departments with each housing the following degrees: Health Sciences Division, Nursing Division, and Health & Human Performance Division

About Graduate Programs

Albany State University offers graduate degrees that include the Education Specialist degree and Masters Degrees in Business Administration, Criminal Justice, School Counseling, Education (Early Childhood, Educational Administration and Supervision and Special Education), Nursing, Public Administration and Social Work. Criminal Justice, Nursing and Education (Early Childhood, and Special Education), degrees are offered fully on-line.

With exceptional graduate faculty who are active in research and scholarship, the institution provides the academic and professional training and support needed to produce successful graduates. The quality of graduate programs are affirmed by accreditation through national organizations that include, Council for Accreditation of Educator Preparation (CAEP), Accrediting Commission for Education in Nursing (ACEN), Council on Social Work Education (CSWE), Accreditation Council for Business Schools and Programs (ACBSP) and Network of Schools of Public Policy, Affairs, and Administration (NASPAA).

Albany State's graduate on-line programs are consistently recognized for quality and affordability. OnlineColleges.com rated Albany State University among the top four-year online colleges in 2016. Affordablelearning.com selected the on-line MS in Early Childhood Education among the top 10 in the nation for program rigor and affordability in 2016 as well. The University also recently ranked as a top value among Counseling master's degrees in Georgia by Top Counseling Schools, based on their program completion rate, job placement rate, licensing exam pass rate, accreditation length, research productivity and tuition and fees.

Thank you for your interest in graduate education at Albany State University! If you need assistance or have specific questions about our programs, do not hesitate to contact us at graduateadmissions@asurams.edu or at (229) 430-1534. Also, feel free to reach out to the coordinator of the graduate program of interest to you as well for program specific information.
